ORDER THEREON.—The list received from the Senior Surgeon contains 90 stations including certain Minor Municipalities which are not the Head-quarters of a Taluk or Sub-Taluk. But as it is not intended at present to employ midwives in places other than those which form the Head-quarters of Taluks or Sub-Taluks, a classification of the latter description of stations is all that is now required. If midwives are hereafter deputed to other places they may be classed as occasion arises.

2. The marginally noted stations are entered by the Senior Surgeon under classes I and II Malnad and Semi-Malnad. Class I corresponds with the list appended to para 3 of Government Proceedings No. 7180-90—Cir. 164, dated 6th December 1889, in accordance with which the charge allowance of Hospital Assistants in independent charge of Dispensaries is regulated. Shikarpur and Sorab are entered therein under class II but the other four stations noted in the margin were omitted apparently as there was then no occasion for their insertion.

Class I.	*Class II.*
1. Kankanhalli.	1. Alur.
2. Heggaddevankote.	2. Shikarpur.
3. Saklespur.	3. Sorab.
4. Tirthahalli.	4. Kallurkatte.
5. Sagar.	5. Kamsi.
6. Mudgere.	6. Chikmagalur.
7. Hariharpur.	
8. Yedahalli.	

3. The Deputy Commissioner of Bangalore recommends that Magadi should be placed in class I, but this cannot be approved as Magadi is not and has never been recognized as Malnad.

4. The Deputy Commissioner of Shimoga suggests the transfer of Sorab from class II to class I. This is approved as Sorab is admitted to be Malnad in Section 602 of the Mysore Service Regulations and Appendix A to Notification No. 9837—R. F. 226-92, dated 9th December 1892. The proposal of the Deputy Commissioner of Hassan to place Belur under class II is also approved, as the Belur Taluk is entered in the list of Malnad tracts given in Section 602 of the Service Regulations.

5. With these two modifications, the classification proposed by the Senior Surgeon is approved. The other stations including Magadi will be included under class III "Maidan."
